

Kids' Day Out

First United Methodist Church Wednesdays in July

Kids' Day Out is a midweek discovery program for children of First United Methodist Church, their friends and guests, and anyone in the community who would like to participate. Children age 5 through 5th grade will have supervised field trips and recreation activities. Those under age 5 may attend ONLY if accompanied by a parent or guardian.

Pre-registration is needed for a fee of \$5.⁰⁰. In addition to this fee, each child will need to bring \$5.⁰⁰ weekly to offset expenses of tickets and snacks. If we go where there is no charge, that \$5.⁰⁰ will pay for the week when the ticket is actually \$10.⁰⁰. This way, the church does not pay for the events, except gasoline for the vans.
